In the past, Shinobi no sato were made up Iganokuni (Iga) and Ominokuni (Koka).

The two located opposite at border of Mie prefecture and Shiga prefecture.

In the era of Sengoku, when the lords were different, it would be enemies, when the lords were same, it would be allies. Ninja had a sad fate and was alive as a shadow.

In peaceful modern times, Ninja competes each other, becomes a good rival to help each other.

* You can change main dish to steak of Omi beef round +2500 yen, Sirloin +4500 yen or Tenderloin +6500 yen per person
